

Dear Ms. Manju Vyas,

Congratulations!

Please find attached the digital image of your Platinum Certification valid till December 2017.

1. We encourage you to display this
 - on your website,
 - in your email sign,
 - on T-shirts, Badges,
 - in funding proposals,
 - on your Annual Report and
 - anywhere that will help you enhance your organisation's presence and case for support.
2. If you are using it on electronic media, hyperlink it to <http://guidestarindia.org/Summary.aspx?CCReg=4358>
3. You may also add details of your ITPAN, GSN and the link to your GuideStar India Profile in your email sign and all other stationery. Please see how we have used it in this email signature.
4. You could also create one image with your logo and the Platinum certification and upload it on your GuideStar India profile in place of your logo so that visitors to our site could see the Platinum certification along with your logo.

If you have other ideas for using your Platinum certification please let us know. If you need clarifications, feel free to write to us.

Do share with us whenever you have a story to tell the world about how this certification benefitted your organisation!

Go ahead and use your GuideStar India Platinum certification to unlock your potential to garner support for your cause!

Regards,

Monika
